

# BUFFALO ROCK GOLF CLUB

*Cushing, OK*

## *PROJECT OVERVIEW*

In preparation for the club's centennial celebration, we collaborated with Ross Golf Design to complete a bunker restoration and tree removal project in November 2019. With restored width and bunkering on the Perry Maxwell designed nine and new changes to the remaining nine, Buffalo Rock is ready to kick off the next 100 years. Buffalo Rock is featured as a "Hidden Gem" by Sugarloaf Social Club.
