

# GATOR NATIONAL GOLF CLUB

*Boerne, TX*

## *PROJECT OVERVIEW*

Opening for play in October 2019, Gator National Golf Club pays homage to America's great golf architects C.B. Macdonald and Seth Raynor. The 4-hole short course provides endless fun – playing to several of Macdonald and Raynor's templates: Alps/Punchbowl, Double Plateau green, and Principal's Nose bunkers. Gator National was featured in Links Magazine highlighting the growing trend of backyard golf.
